Business Summary

An **SDVOSB physician staffing agency** founded in 2022. We provide **nationwide long-term temporary physicians, allied health, and advanced practice providers for federal agencies.**

Capabilities

- **Physicians:** Board-certified and board-eligible physicians across multiple specialties.
- **Allied Health:** Over 25 top allied health positions, e.g., speech pathologist, radiation therapist, and pharmacy technician.
- **Advanced Practice Providers:** Nurse practitioners and physician assistants

Differentiators

- **Military Physician-Led Expertise:** Led by a former U.S. Army physician and Inpatient Medical Director at Brooke Army Medical Center, the owner brings unmatched expertise in both government procedures and clinical practice.
- **Network:** Years of training and mentoring physicians allow him to identify top candidates and match them precisely to each facility's needs.
- **Expedited Credentialing:** A dedicated specialist streamlines the process, cutting onboarding time and ensuring providers are ready to serve quickly.

Past Performance (subcontractor):

- United Hospital Center (Bridgeport, WV),
- CAMC Greenbrier Valley Medical Center (Ronceverte, WV)
- Brooke Army Medical Center (Fort Sam Houston, TX)
